

## UTILITY CREW POSITION

The Asotin County Public Utility District (PUD) is seeking a motivated, dependable individual to join our team as a full-time Utility Crew member. This position plays a critical role in maintaining the water and wastewater systems that serve our community every day.

This is a stable, year-round position offering excellent pay, outstanding benefits, and long-term career potential with a local public utility.

---

### Position Overview

The Utility Crew position performs a variety of hands-on utility and construction-related work involving the installation, maintenance, and repair of water and wastewater infrastructure. Work is primarily outdoors and is performed primarily as part of a utility crew but may be performed independently after training and experience.

---

### Preferred Qualifications

- Experience in general utility maintenance, construction, or related field work
- Experience operating small equipment (or willingness to learn)
- Ability to work outdoors in varied weather conditions
- Strong work ethic, reliability, and commitment to safety
- Class A CDL preferred but not required
- Willingness to learn; the PUD is willing to train the right candidate.

---

### Pay & Benefits

Asotin County PUD offers excellent compensation and one of the strongest benefit packages in the region, including:

- Starting Salary: \$55,000–\$80,000, based on experience. Top Range is \$95,000
- 100% paid health insurance premiums for employees and qualified dependents (medical, dental, vision).
- Life Insurance and Life Flight Membership
- Retirement System Plan
- Paid personal leave and holidays
- Paid training and certification opportunities
- Stable, full-time employment with no seasonal layoffs

A public utility career providing meaningful work, strong job security, excellent benefits, healthy work-life balance, and a clear path for growth within the utility.
